The mission of the Children and Youth Investment Collaborative is to provide funds to the D.C. Children and Youth Investment Trust Corporation (CYITC), a not-for-profit organization that disburses grants to community-based providers, with the purpose of creating a seamless approach to the development of policy, planning, and services for children, youth, and their families.

The Children and Youth Investment Collaborative, administered by CYITC, was established in 1999 as part of the District's FY 2000 budget. The CYITC was created as a public/private partnership to receive and leverage funding designated under the Children and Youth Initiative Establishment Act of 1999. Its board of directors, made up of seven members appointed by the Mayor and District Council and four advisory members from the District government, governs the corporation. The CYITC does not provide direct services to families; however, it grants funds and provides technical assistance to nonprofit organizations that provide direct services to families and thereby increases the quality and availability of services in areas of greatest need.

The CYITC plans to fulfill its mission by increasing the effectiveness of children and youth programs and working to ensure high quality programs and services for every child in the District.

Program Description

The District's subsidy to the CYITC is shown as a single program in the District's financial system. The CYITC's goals are funded through the following grant competitions:

- **Out-of-School Time/Youth Development Programs** – provide services, supports, and opportunities to children and youths during out-of-school hours, promoting academic achievement and positive youth outcomes, which can reduce negative behavior that correlates with unsupervised, unstructured time outside of school;
- **Older Youth Programs** – support youths between the ages of 14 and 24 years old, both those enrolled in school and those no longer connected to school, in the areas of academic support, college-going culture, job readiness, and community service;
- **Parent Center Programs** – provide support services to parents of young and adolescent children with parenting skills that help ensure their children are ready for and succeeding in school; and
- **Summer Programs** – provide enriching opportunities to ensure that children and youths aged 5 to 24 years old are safe and have opportunities to enhance their learning over the summer months. These funds include providing alternative services during late night hours.

The CYITC has two major funding cycles: one for school-year youth-serving and year-round parent center programs, and one for summer youth-serving program.
