What Your Nonprofit Needs to Know About the New Overtime Regulations. The D.C. Bar Pro Bono Center, in conjunction with the law firm of Littler Mendelson, will be hosting a free workshop for nonprofits about how to deal with the new overtime regulations July 21, from 9:00 A.M. – 11:00 A.M. at Littler Mendelson, 815 Connecticut Ave., NW. Last month, the Department of Labor published new rules that change the rules regarding which employees are eligible for overtime pay. This new rule could have a significant impact on your nonprofit's personnel costs. At the workshop, the facilitator will review the difference between exempt and non-exempt employees; what the new overtime regulations provide and how they will impact your organization; what steps your organization should be taking now so you are ready for December 1; and how these changes will impact your
