Grants will be awarded through the use of District of Columbia Appropriated Funds as authorized by pending legislation for the FY 15 local budget. Grant awards under this authorization are projected to begin October 1, 2014 and end September 30, 2015, with two option years. Additionally the District is in receipt of federal funds allocated to the District's FY 14 budget and shall make those available to fund some projects starting September 30, 2014.

The awards and the amounts of each award are contingent upon availability of funds and authorization for use of those funds. The options years are contingent upon successful implementation, a satisfactory performance rating and availability of funds.

The following entities are eligible to apply: private, non-profit and for profit organizations licensed to conduct business with the District of Columbia. Private entities include community development corporations, community action agencies, community-based and faith-based organizations. All awards will be made to organizations located and providing services within the District of Columbia.
