Up to \$1,300,000 in Housing Opportunity for Persons with AIDS (HOPWA) funds from the U.S. Department of Housing and Urban Development (HUD) will be made available in FY2016. HAHSTA intends to grant up to four (4) awards projected to begin October 1, 2015 through September 30, 2016. The awards and the amounts of each are contingent upon availability of funds. Two subsequent option years are dependent upon successful implementation and availability of funds.

The following entities are eligible to apply for grant funds under this RFA: not-for-profit providers operating as housing programs. All awards will be made to organizations located and providing services within the District of Columbia.

HAHSTA will be seeking applications that will offer comprehensive services for timely transition of participants to either self-supported permanent housing or a permanent supportive housing setting. Successful programs will include services to determine self-sufficiency or transition to supportive settings, establish linkages with relevant services (e.g., behavioral health, job preparation, employment placement, treatment adherence support, among others), and provide available services to clients waiting for housing services and resources.
