

2015 District of Columbia Awards for Excellence in Historic Preservation

May 6, 2015 DAR Constitution Hall 1776 D Street NW

The DC Preservation League (DCPL), founded in 1971 as “Don’t Tear It Down,” is a nonprofit membership-supported organization dedicated to preserving and enhancing Washington’s historic buildings and open spaces for future generations. As Washington’s citywide preservation advocacy organization, DCPL identifies significant buildings and neighborhoods throughout the District, monitors threats to them, and increases public awareness of historic resources.

This program has been funded in part by a U.S. Department of the Interior, National Park Service Historic Preservation Fund grant administered by the District of Columbia’s Historic Preservation Office.
