223 ZONING RELIEF FOR ADDITIONS TO ONE-FAMILY DWELLINGS OR FLATS (R-1) AND FOR NEW OR ENLARGED ACCESSORY STRUCTURES

223.1 *An addition to a one-family dwelling or flat, in those Residence districts where a flat is permitted, or a new or enlarged accessory structure on the same lot as a one-family dwelling or flat, shall be permitted even though the addition or accessory structure does not comply with all of the requirements of §§ 401, 403, 404, 405, 406, and 2001.3 shall be permitted as a special exception if approved by the Board of Zoning Adjustment under § 3104, subject to the provisions of this section.*

A one-family detached dwelling is a permitted use in this zone. The proposed addition requires special exception review under § 223 from the rear yard (§ 404.1) requirement. The applicant is proposing to construct a five-foot (5 ft.) by sixteen-foot (16 ft.) kitchen addition that would not comply with the required rear yard setback.

223.2 *The addition or accessory structure shall not have a substantially adverse affect on the use or enjoyment of any abutting or adjacent dwelling or property, in particular:*

(a) *The light and air available to neighboring properties shall not be unduly affected;*

The proposed addition measures five feet (5 ft.) in depth and would encroach two feet (2 ft.) in to the required rear yard. The property to the north at 5312 38th Street NW features a yard approximately twenty-five feet (25 ft.) in depth adjacent to the subject property. The proposed addition would be separated from the adjacent dwelling by a distance of greater than forty-five feet (45 ft.). Therefore, the light and air available to the neighboring property should not be unduly compromised.

(b) *The privacy of use and enjoyment of neighboring properties shall not be unduly compromised;*

The properties to the east, south and west are separated from the subject property by 38th Street NW, Jocelyn Street NW, and the public alley, respectively. The property to the north (5312 38th Street NW) has an approximately twenty-five-foot (25 ft.) deep yard, which should provide separation from the proposed addition. Furthermore, the shared property line features mature trees and other landscaping. Therefore, the privacy of use and enjoyment of neighboring property should not be unduly compromised. The adjacent neighbors at 5312

The proposed addition should conform to the character, scale, and pattern of the existing dwelling and other dwellings in the square. The proposed addition would not be visible from Jocelyn Street NW, but would be visible from 38th Street NW and the 12-foot public alley. The proposed material for the addition would match the finishes of the existing house.
