Additional Funding Resources and Announcements

Free Insurance Legal Clinic for Nonprofits. The D.C. Bar Pro Bono Center is sponsoring a free clinic to assist nonprofit organizations in understanding the basics of insurance coverage on December 5 from 9:00 a.m. to 11:30 a.m. at the D.C. Bar, 1101 K Street, NW. The purpose of the training is to help nonprofits better understand the ins and outs of their organization's insurance. At this clinic, participants will be able to sit down and talk with volunteer attorneys one-on-one. Together participants will complete a form asking about your organization's insurance coverages. The issues that will be reviewed include: what types of insurance your organization has; general liability, directors and officer's coverage, employment practices liability coverage; what are the limits and sub-limits under the policies; do your defense costs reduce the amount available to pay claims under the policies; when do you have to provide the insurance company with notice of an accident, and what do you have to include in that notice; and should you keep copies of the policies after the policy period expires? After the training, the volunteer attorneys will meet with you and conduct a basic review of your nonprofit's insurance policies so you have a better understanding about what is in the policies. If interested in attending the clinic contact Lauren Paley at Lpaley@dcbar.org.
