IMPACT DMV HIV PROGRAM

The Government of the District of Columbia, Department of Health (DOH) HIV/AIDS, Hepatitis, STD and TB Administration (HAHSTA) is soliciting proposals from organizations in the District of Columbia, Suburban Maryland and Northern Virginia to participate in the IMPACT DMV program. IMPACT DMV is a regional public, private, and health department collaborative demonstration project to develop through a health department–led, culturally sensitive and competent community collaboration a comprehensive model of service delivery.

This model is designed to provide a holistic health and wellness system that strengthens and supports Men who have Sex with Men of color and Transgender persons of color in healthy decision making, ensuring equitable access to screening, care and treatment, behavioral health, economic opportunity, peer supports, and other supportive services.

Up to **\$600,000** will be made available through a grant received from the U.S. Centers for Disease Control and Prevention (CDC) for Fiscal Year 2016. This funding aims to increase the capacity and provision of services to the focus populations among three initial program domains: Pre-Exposure Prophylaxis (PrEP) implementation, community wellness (addressing self-efficacy), and behavioral health (related to substance use and mental health). DOH is soliciting proposals for up to 15 awards to support the following program areas:

PrEP	Community Wellness	Behavioral Health
<ul style="list-style-type: none"> • Outreach/Awareness • PrEP Adherence Counseling and Support Services • Integration of PrEP and hormone therapy 	<ul style="list-style-type: none"> • Mandate wellness model • Sexual Health Learning Community 	<ul style="list-style-type: none"> • Rewriting Inner Scripts (RISE) model • Other promising behavioral health interventions for MSM and transgender persons of color.
