NOTICE OF FUNDING AVAILABILITY

Technical Assistance for RiverCents Automotive Pollution Prevention Program

The Department of Energy and Environment (the Department) seeks eligible entities to create a new program that will help reduce land, air, and stormwater pollution from District automotive repair shops through pollution prevention. The program will offer onsite technical assistance and a certification program integral to the District's efforts to improve local environmental health. The amount available for the project is approximately \$110,992.00.
