Request for Applications RFA# GD0-MKV-FY2020

Section 1: General Information

1.1 Overview

The Office of the State Superintendent of Education (OSSE) invites local educational agencies (LEAs) to apply for federal funding for the McKinney-Vento Homeless Education grant program via this Request for Applications (RFA). This funding is authorized by Title VII-B of the McKinney-Vento Homeless Assistance Act (hereinafter, “MKV”) of 1987, Section 726, as reauthorized on Dec. 10, 2015 by Title IX, Part A of the Every Student Succeeds Act (ESSA) and made effective on Oct. 1, 2016.

Detailed information regarding the McKinney-Vento statute is available at the following links:

<http://www2.ed.gov/programs/homeless/legislation.html> or <https://nche.ed.gov/mckinney-vento/>.

All local educational agencies (LEAs), with or without this funding, must ensure that children and youths who are homeless have equal access to the same free, appropriate public education as provided to all other children and youths.

1.2 Purpose of Grant Funds

The intent of the grant is to provide supplemental funding to help (1) facilitate the identification, enrollment, attendance, and success in school of children and youths experiencing homelessness; and (2) ensure children and youths experiencing homelessness have equal access to the same free, appropriate, public education as provided to all other students. Services provided through this grant cannot replace regular academic programming.

1.3 Services

Services shall, to the maximum extent practicable, be provided through existing programs and mechanisms that integrate children and youths experiencing homelessness with non-homeless children and youths. Services may be provided on school grounds or at other facilities.

Any LEA in the District, regardless of whether it receives MKV funding, shall not provide services in settings within a school that segregates homeless children and youths from other children and youths, except as necessary for short periods of time for health and safety emergencies or to provide temporary, special, and supplementary services to meet the unique needs of homeless children and youths (<https://www2.ed.gov/policy/elsec/leg/essa/index.html>, or <https://www2.ed.gov/policy/Education for Homeless Children and Youth - Non-Regulatory Guidance>).

1.4 Eligibility and Funding Priorities

LEAs in the District of Columbia are eligible to apply. Awards will be made on the basis of the need of the LEA and the quality of the applications submitted. When distributing funding, OSSE will prioritize LEAs with a high level of need, as represented by enrollment data. Competitive Priority will be awarded to applicants that meet one or more of the following criteria, up to a cumulative total of not more than 15 points:

- LEAs with a high number of identified children and youths experiencing homelessness, as compared to LEA's overall student population¹;
- LEAs with a significant increase² of identified children and youths experiencing homelessness in the previous school year;
- LEAs with a high percentage³ of identified children and youths experiencing homelessness, as compared to the number of children and youths experiencing homelessness identified in the District of Columbia; or
- LEAs with a high percentage of newly identified children and youths experiencing homelessness, based on the proximity of LEAs/schools that are near the newly established local shelters in all wards of the District of Columbia.

1.5 Allowable Uses of Funds

LEAs may use MKV funds to carry out the purposes of MKV, including:

¹ The percentage of students newly identified as experiencing homeless in FY19 is equal to at least 10 percent of the LEA's total student population.

² The percentage of students newly identified as experiencing homeless in FY19 has increased by at least 5 percent when compared to the percentage identified as homeless in FY18.

³ The percentage of students experiencing homelessness enrolled at the LEA represents more than 10 percent of all students experiencing homelessness identified in the District of Columbia.

1. The provision of tutoring, supplemental instruction, and enriched educational services that are linked to the achievement of the same challenging State academic standards as the State establishes for other children and youths.
2. The provision of expedited evaluations of the strengths and needs of homeless children and youths, including needs and eligibility for programs and services (such as educational programs for gifted and talented students, children with disabilities, and English learners, services provided under Title I of the Elementary and Secondary Education Act of 1965 or similar State or local programs, programs in career and technical education, and school nutrition programs).
3. Professional development and other activities for educators and specialized instructional support personnel that are designed to heighten the understanding and sensitivity of such personnel to the needs of homeless children and youths, the rights of such children and youths under MKV, and the specific educational needs of runaway and homeless youths.
4. The provision of referral services to homeless children and youths for medical, dental, mental, and other health services.
5. The provision of assistance to defray the excess cost of transportation for students under section 722(g)(4)(A), not otherwise provided through Federal, State, or local funding, where necessary.
6. The provision of developmentally appropriate early childhood education programs, not otherwise provided through Federal, State, or local funding, for preschool-aged homeless children.
7. The provision of services and assistance to attract, engage, and retain homeless children and youths, particularly homeless children and youths who are not enrolled in school, in public school programs and services provided to non-homeless children and youths.
8. The provision, for homeless children and youths, of before- and after-school, mentoring, and summer programs in which a teacher or other qualified individual provides tutoring, homework assistance, and supervision of educational activities.
9. If necessary, payment of fees and costs associated with tracking, obtaining, and transferring records necessary to enroll homeless children and youths in school. The records may include birth certificates, immunization or other required health records, academic records, guardianship records, and evaluations for special programs and services.

10. The provision of education and training to the parents and guardians of homeless children and youths about the rights of, and resources available to such children and youths, and other activities designed to increase the meaningful involvement of parents and guardians of homeless children and youths in the education of such children and youths.
11. The development of coordination between schools and agencies providing services to homeless children and youths, as described in section 722(g)(5).
12. The provision of specialized instructional support services (including violence prevention counseling) and referrals for such services.
13. Activities to address the particular needs of homeless children and youths that may arise from domestic violence and parental mental health or substance abuse problems.
14. The adaptation of space and purchasing of supplies for any non-school facilities made available to provide services.
15. The provision of school supplies, including those supplies to be distributed at shelters or temporary housing facilities, or other appropriate locations.
16. The provision of other extraordinary or emergency assistance needed to enable homeless children and youths to attend school and participate fully in school activities.

1.6 Program Quality

In determining program quality, OSSE will consider the following:

1. The number of homeless children and youths enrolled in the LEA, including children in the LEA's Early Learning Program, the applicant's needs assessment, and the likelihood that the program presented in the application will meet such needs;
2. The types, intensity, and coordination of the services to be provided under the program;
3. The extent to which the applicant will promote meaningful involvement of parents or guardians of homeless children or youths in the education of their children;
4. The extent to which homeless children and youths will be integrated into the regular education program;
5. The quality of the applicant's evaluation plan for the program;
6. The extent to which services provided will be coordinated with other services available to homeless children and youths and their families;
7. The extent to which the LEA will use the subgrant to leverage other resources, including by maximizing nonsubgrant funding for the position of the LEA liaison and the provision of transportation;

8. How the LEA will use funds to serve homeless children and youths under section 1113(c)(3) of the ESEA; and
9. The extent to which the LEA's program meets such other measures as the SEA considers indicative of a high-quality program, such as the extent to which the LEA will provide case management or related services to unaccompanied youths.

Section 2: Project Requirements

2.1 General Requirements

Subrecipients are responsible for reviewing and revising policies that may act as barriers to the identification, enrollment, and retention of children and youths experiencing homeless. See use of funds section for further detail.

2.2 Performance and Census Reports

Subrecipients must submit annual performance and census reports requested by OSSE. These reports are collected to determine how the LEA (1) assesses the educational needs of children and youths experiencing homelessness and (2) distributes available resources equitably. Successful applicants will receive further detail regarding these reporting responsibilities.

2.3 Homeless Education Training

Subrecipients are strongly encouraged to participate in OSSE trainings (via in-person and webinars) and attend at least one national conference each year to increase knowledge regarding homeless education and the plight of families experiencing homelessness. In addition to in-person training sessions, on-going training opportunities are offered via webinar to help homeless education staff increase capacity and develop essential proficiencies to successfully work with children and youths experiencing homelessness. For example:

- OSSE's Homeless Education Program (HEP) offers "Monthly Dialogues" via webinar to provide targeted technical assistance.
- The National Center for Homeless Education (NCHE) offers on-going webinars, covering a wide variety of topics to help homeless liaisons build capacity to ensure they are equipped to fulfill their responsibilities. Information on NCHE webinars can be found at <https://ncche.ed.gov/group-training/>.

- SchoolHouse Connection offers webinars on a wide variety of topics, including early learning and homelessness. Information on SchoolHouse Connection webinars and additional resources can be found at <https://www.schoolhouseconnection.org/resources/>.

2.4 Evaluation

Subrecipients must implement an evaluation plan to ensure that program goals are met.

Total Funding Available for Subgrants	\$250,933.94
FY20 Set Aside Funds for Continuing Awards	(\$181,100.00)
Balance Available for Competition/Proposed Awards	\$69,833.94

3.7 Anticipated Amount and Number of Awards

Past awards have ranged from approximately \$600 to \$86,000. OSSE reserves the right to fund applicants at a lesser amount than requested if it is deemed that the project can be implemented with less funding than requested or if federal funding is not sufficient to fully fund all applications that merit award. Awards *may* be extended for a maximum of two additional years if the sub-recipient's program remains in compliance with all grant requirements. Programs are renewed from year-to-year and a modified continuation application will be required to extend funding beyond the initial award year. Continuing awards are subject to the continuing availability of funding.

Applications are ranked by reviewer scores and the highest-ranking applications are funded until available funding is exhausted. OSSE anticipates awarding 3-6 awards based on the highest-ranking applications.

3.8 Award Period

The grant programmatic and fiscal implementation period will be from the date of the award to Sept. 30, 2022. Year one funds must be obligated by Sept. 30, 2020. Projects that successfully demonstrate substantial progress and programmatic and fiscal reporting compliance during the award period *may* be eligible to receive continuation awards for an additional two (2) years if funds remain available. **No more than 15 percent of the award may be carried over to the next program period.** The program periods are:

- Year 1: Date of award – Sept. 2020 (original program period)
- Year 2: Oct. 2020 – Sept. 2021 (continuation)
- Year 3: Oct. 2021 – Sept. 2022 (continuation)

Subgrants are reviewed annually for consideration for continued funding. Compliance with programmatic and fiscal implementation and reporting is considered. To continue receiving federal education funds, subrecipients must establish eligibility by submitting a continuation application to OSSE in accordance with the relevant program statute(s) and any additional rules established by OSSE.

3.9 Grant Award Payments

In accordance with 2 CFR section 200.305(b)(3) of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements, OSSE has implemented a reimbursement process for all subrecipients. Subrecipients shall receive payments for services that have been rendered and for costs that have been paid (not merely incurred) after they substantiate that the cost is allowable for submitted program expenditures.

Grant award payments may be reimbursed on a monthly basis. MKV subrecipients are required to submit reimbursement requests on at least a quarterly basis to ensure that subrecipients consistently spend down funds and avoid lapsing funds at the end of the funding cycle.

Targeted spending rates have been identified for each quarter:

Quarter	Spend down percent	Submitted by	Period Covered
Q1	10 percent	Jan. 15	Oct. – Dec.
Q2	30 percent	Apr. 15	Jan. – Mar.
Q3	60 percent	Jul. 15	Apr. – Jun.
Q4	85-100 percent	Dec. 15	Jul. – Sept.*

If less than 100 percent is obligated/spent down by the end of the funding cycle for years 1 and 2, subrecipients **may carry over up to 15 percent. Subrecipients have until Sept. 30 in year three to spend or obligate allocated funds.*

Once OSSE has fully approved the application and issued an official Grant Award Notification (GAN), subrecipients may then receive payment for allowable expenditures made during the grant period through the reimbursement request process. To receive a reimbursement for grant program expenditures, OSSE subrecipients must complete and submit the applicable reimbursement request electronically via the EGMS. Detailed policy and template instructions are available at <http://grants.osse.dc.gov/info/training>.

NEEDS ASSESSMENT SUMMARY

Description: A compelling proposal will clearly define an identified issue or problem that is supported by the proposed project, which must be summarized within the application. The needs assessment must assess the educational and related needs of homeless children and youths in the LEA service area (which will also be undertaken as part of the needs assessments for other disadvantaged groups).

A needs assessment is a systemic review of information collected from a variety of sources, analyzed to determine strengths and weaknesses, and prioritized for action in the proposal. For guidance regarding how to conduct effective needs assessment, access <https://nche.ed.gov/needs-assessment/> for guidance and templates for planning, implementing, and evaluating services to students experiencing homelessness.

Below are suggestions for the required needs assessment:

1. Summarize the methods used to complete the needs assessment.
2. Clearly state the educational and/or related academic needs facing the homeless children and youths in the LEA.
3. Select data sources used to perform the needs assessment and summarize how the specific data collected confirms the existence of the problem, issue and its source(s) or root cause. This may include information about the students, parents of the students and schools the proposed project will serve.

The following are suggestions of content that could be included in this section:

- Utilize multiple methods to document the issue, for example:
 - The number of homeless shelters that serve families with school aged children,
 - The population served,
 - A breakdown of the homeless children and youths by grade level, survey, analysis of school records, previous studies, or focus groups. All are options.
- Utilize local data to document the issue(s) in the service area. Include relevant demographic information and other statistics about the population that will potentially be served by the proposed project.
- Identify the population primarily affected by the issue/problem.
- Identify when and where the problem exists.
- Document the factors contributing to the problem.
- Document current or past efforts to address the issue and illustrate the reasons why those efforts were unsuccessful or inadequate to address the total need.
- Provide the applicant's history and expertise in dealing with the issue and past successes. If the entity does not have prior experience coordinating a homeless education program, provide reasons that the applicant can meet the issue with success.

Specify the consequences or the internal accountability factors that will result from not meeting the needs of the issue.

In determining need, OSSE will consider the following:

1. The extent to which the proposed use of funds will facilitate the identification, enrollment, retention, and educational success of homeless children and youths.
2. The extent to which the application reflects coordination with other public agencies (local or State-level) that serve homeless children and youths.

Total Value: 25 points

PROJECT NARRATIVE

Description: The Project Narrative provides a description of the services and programs that the LEA will provide. This is an opportunity to convince readers that the proposed project is sound. Provide as much detail as possible. Clearly describe the policies and procedures that the LEA will undertake to ensure that its activities would not isolate or stigmatize homeless children and youths. Use the Appendices to include supplemental information that may be important for the reader but will not fit within the Project Narrative. For additional clarity, it is important to reference any supplemental information included in the appendices within the body of the proposal. Your narrative must address:

- Extent of Need
- Goal, Objectives and Measurable Indicators of Success
- Plan of Operation
- Coordination of the project as it relates to:
 - Title I, Part A, including the provision of Title I, Part A services at non-Title I schools, if applicable.
 - Other federal funding to provide services to students experiencing homelessness
- Evaluation and Dissemination of Plan
- Supporting Students with Disabilities
- Management Plan including Key Personnel
- Project Timeline
- Professional Development and Awareness Activities
- Policies and Procedures
- Future Plans (Impact of Evaluation and sustainability plan)

Be sure to:

- Identify the plan of operation by specifying who will be responsible for each activity and for the implementation timeline.
- Describe the plan to evaluate the project, disseminate the plan, and to use the evaluation results to improve future activities.
- Describe any planned professional development and awareness activities.
- Proofread the Project Narrative once it is completed. Check for style inconsistencies, redundancies, repetition, factual omissions, and unexplained assumptions.

When writing the Project Narrative, keep the following suggestions in mind:

- Be concise and clear. Readers need to quickly and easily understand the components of the proposed project and how it will address stated needs.
- Do not assume the reader is familiar with the proposed project; readers represent diverse backgrounds. Avoid jargon and define all acronyms.

Evaluation: Subrecipients are required to submit annual evaluation reports. Your evaluation plan should be consistent with the goal(s) and objective(s) described earlier. Keep in mind that the evaluation will consider the entire project, beginning to end. The evaluation should not be viewed as what is done after the project's completion, but as an integral element in the project's design, planning, and implementation. A solid, ongoing plan that evaluates milestones quarterly will allow the project manager to make informed decisions regarding the modifications needed to ascertain the necessary results. Identify what the evaluation will seek to answer and what strategies will be used to determine the answers to the evaluation questions.

Awareness Building: Provide details on the dissemination process for the proposed project; i.e., what types of media will be used to disseminate information. For example:

- Newsletters/Posters
- Parent or School Community Events
- Parent-teacher Conferences
- Internet/Email

- Community Outreach
- Robocalls
- Social Media

Supporting Students with Disabilities: Please provide a description of how your LEA will ensure that students with disabilities who are experiencing homelessness have access to supports and meaningfully participate in the activities and programs described in this grant application.

Management Plan And Critical Personnel: Provide a description of proposed project supervision and how the LEA will ensure the plan will be implemented. Describe how the program will cooperate and coordinate services with Title I programs, Head Start, Even Start, and other public education programs available locally for which children and youths experiencing homelessness are eligible.

All LEAs must develop or adopt policies and procedures to ensure that transportation is provided to assist children and youth experiencing homelessness to attend and succeed in school. Please provide a description of how the LEA reviews and revises, policies to remove barriers to the identification, enrollment, and retention of children and youths experiencing homelessness, such as providing transportation, as requested by a parent/guardian or unaccompanied youth, to and from the school of origin. Also, please describe how your LEA addresses issues concerning transportation, immunization, residency, birth certificates, school records and other documentation, and guardianship along with special attention given to ensuring the identification, enrollment, and attendance of homeless children and youths who are not currently attending school.

Professional Development: All LEAs must adopt policies and procedures to guarantee that a staff member is designated to serve as the homeless liaison and that homeless liaisons participate in the professional development and technical assistance provided to ensure students experiencing homelessness are properly identified and given the necessary supports to be successful in school and life. Describe the methods through

<p>which the LEA's proposed program will provide specific, in-service training for homeless liaisons and staff development for school personnel in meeting the needs of families experiencing homelessness, the rights of students experiencing homelessness, best practices for implementing homeless education programming, statewide efforts, and advocacy for students experiencing homelessness.</p>
<p align="center">Total Value: 30 points</p>
<p>IMPLEMENTATION PLAN</p>
<p>Description: Activities are the specific steps taken to accomplish the project objectives and involve direct service to clients (students, teachers, parents). These events or activities may take place on a single date or over a period of time. The description should clearly indicate how funds will be used. Strategies are broad approaches (methods, procedures, techniques) employed to accomplish the evidenced outcomes. Provide a justification describing the strategies selected and how these strategies will assist in achieving the outcomes.</p>
<p align="center">Total Value: 30 points</p>

4.3 Submission Process

To apply for grant funds, a McKinney-Vento Homeless Assistance Grant application must be completed and submitted by the deadline using OSSE's online EGMS. The EGMS system will automatically confirm receipt and time/date stamp all submissions. Applications submitted after 3 p.m. on **Jul. 15, 2019** will not be accepted or forwarded to the review panel for consideration.

Section 5: Review Panel and Selection Process

5.1 Review Panel Criteria

The review panel for this RFA will be comprised of a minimum of three neutral, qualified, professional, individuals who are external to OSSE and have been selected for their unique qualifications, knowledge and expertise in the objectives of the elementary, secondary and specialized education fields. The review panel is responsible for scoring and ranking applications and making recommendations for funding consideration. A copy of the review rubric is provided (see Attachment C).

Reviewers are not expected to search the internet or other references/resources, make assumptions, or search beyond the section of the application under review for responses to and/or evidence of scoring criteria. It is imperative that responses to and/or evidence of the scoring criteria are located in the appropriate sections of the application.

5.2 Review and Selection Process

The recommendations of the review panel are advisory only and not binding on OSSE. The final decision regarding awards is vested solely with OSSE. OSSE reserves the right to accept or deny any or all applications if OSSE determines it is in the best interest of OSSE to do so. After reviewing the recommendations of the panel and any other information considered relevant, OSSE shall make decisions regarding which applications will be awarded and the amounts to be funded. Upon approval, selected awardees will be notified through EGMS.

Section 6: Award Administration

6.1 Grant Award Notice and Payments

In order to be awarded a grant, organizations must establish eligibility by submitting an application to OSSE in accordance with the relevant program statute(s) and this RFA. Each awarded applicant will receive a Grant Award Notification (GAN) generated through OSSE's enterprise grants management system (EGMS) that will include the award amount, award agreement, terms and conditions of the award, and any supplemental information required. Once OSSE has fully approved the application and issued an official GAN, grantees may then receive payment for allowable expenditures for which obligation was made during the

grant period. OSSE has implemented a reimbursement process for all grantees. Grant award payments are reimbursable on a monthly, bi-monthly, or quarterly basis. Program costs must be paid by the grantee to the payee prior to requesting reimbursement; it is not sufficient for costs merely to be incurred. Compliance with programmatic and fiscal implementation and reporting will be considered in paying reimbursement requests. To receive reimbursement for grant program expenditures, OSSE grantees must complete and submit a reimbursement request electronically using EGMS.

6.2 Audits

At any time before final payment and during the required record retention period, the District and/or federal government may audit the applicant's expenditure statements and source documentation.

6.3 Monitoring and Reporting

The recipient will cooperate with any evaluation of the program, such as providing OSSE requested data and access to records and pertinent staff. Monitoring efforts are designed to determine the grantee's level of compliance with federal and/or District requirements and identify specifically whether the grantee's operational, financial and management systems and practices are adequate to account for program funds in accordance with federal and/or District requirements. OSSE will evaluate each subrecipient's risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the subaward for purposes of determining the appropriate subrecipient monitoring. The evaluation may include consideration of such factors as whether the results of the subrecipient's audits, on-site reviews, or other monitoring indicates conditions that necessitate adjustments to the pass-through entity's own records. OSSE will consider taking enforcement action against noncompliant subrecipients (see 2 CFR§200.338). Failure to maintain compliance with such requirements may result in payment suspension, disallowance of costs or termination of the grant.

Grantees shall be required to cooperate with all requirements and information requests by OSSE relating to evaluation of the program and the collection of data, information, and reporting on outcomes regarding the program and activities carried out with grant funds. Grantees shall be required to reply and acknowledge OSSE's information requests within 48 hours and to provide requested information within ten (10) business days.

Subrecipients are required to complete an Annual Performance Report (APR), complete reimbursement workbooks on at least a quarterly basis, submit periodic census reports, and complete an annual evaluation of programmatic activities. Timely submission of reports is essential to ensure compliance with local and federal requirements. Further guidance will be provided to successful applicants.

6.4 Confidentiality

Except as otherwise provided by local or federal law, no recipient shall use or reveal any research, statistical, or personally identifiable information for any purpose other than that for which such information was obtained in accordance with this grant program. Such information, and any copy of such information shall be immune from legal process and shall not, without the consent of the person furnishing such information, be admitted as evidence or used for any purpose in any action, suit, or judicial, legislative, or administrative proceeding.

6.5 Non-Discrimination in Delivery of Services

The grant recipient shall comply with the District of Columbia Human Rights Act of 1977, as amended, (D.C. Official Code § 2-1401.01 et seq.) which prohibits discrimination based on race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, familial status, family responsibilities, matriculation, political affiliation, genetic information, source of income, disability, status as a victim of an interfamily offense, place of residence or business, or credit information.

6.6 Appearance of a Conflict of Interest

The grant recipient shall ensure that no individual in a decision-making capacity will engage in any activity, including participation in the selection of a vendor, the administration of an award, or an activity supported by award funds, if the appearance of a conflict of interest would be involved. An appearance of a conflict of interest would arise when the individual, any member of the individual's immediate family, the individual's partner; or an organization that employs, or is about to employ, any of the aforementioned, has a financial or personal interest in the firm or organization selected for a contract.

6.7 Additional Terms and Conditions

The following terms and conditions apply to this competition ONLY:

- Funding for this award is contingent on OSSE's continued availability of funds. The RFA does not commit OSSE to make an award.
- OSSE reserves the right to accept or deny any or all applications if OSSE determines it is its best interest to do so. OSSE shall notify the applicant if it rejects that applicant's proposal. OSSE may suspend or terminate an outstanding RFA pursuant to its own grant-making rule(s) or any applicable federal regulation or requirement.
- OSSE reserves the right to issue addenda and/or amendments subsequent to the issuance of the RFA, or to rescind the RFA.
- OSSE shall not be liable for any costs incurred in the preparation of applications in response to the RFA. Applicant agrees that all costs incurred in developing the application are the applicant's sole responsibility.
- OSSE may conduct pre-award on-site visits to verify information submitted in the application and to determine if the applicant's facilities are appropriate for the services intended.
- OSSE may enter into negotiations with an applicant and adopt a firm funding amount or other revision of the applicant's proposal that may result from negotiations.
- OSSE shall provide the citations to the statute and implementing regulations that authorize the grant; all applicable federal and District regulations; payment provisions identifying how the grantee will be paid for performing under the award; reporting requirements, including programmatic, financial and any special reports required by OSSE; and compliance conditions that must be met by the grantee.
- If there are any conflicts between the terms and conditions of the RFA and any applicable federal or local law or regulation, or any ambiguity related thereto, then the provisions of the applicable law or regulation shall control and it shall be the responsibility of the applicant to ensure compliance.

Free and Appropriate Public Education: is defined as the educational programs and services provided to the children and youths of the State and that are consistent with State school attendance laws, to include special populations, such as homeless children and youths. Additionally, the State Educational Agency, shall ensure that each child of a homeless individual, and each homeless youth, has equal access to a free, appropriate public education. If the homeless children and youths meet the eligibility criteria they must be included in programs and services, which include but are not limited to transportation services, gifted and talented programs, and all Title I services provided. Title I services include local educational programs (e.g., Educational Services and extended day programs), educational programs for students with disabilities, educational programs for students with limited English proficiency, programs in vocational education, and school meal programs.

School-aged Children: According to the District of Columbia Compulsory School Attendance Amendment Act of 1990, as amended (D.C. Compulsory school attendance age is five (5) years to the eighteenth (18th) date of birth of the student. Children ages three (3) and above are eligible to attend pre-kindergarten programs. Dispute Resolution Process: is the method used to determine a school placement decision that is in the best interest of the child or youth. This process may be required in cases when parents/guardians or an unaccompanied youth object to the initial determination made by school personnel regarding school selection or other school enrollment decision for the homeless child or youth.

LEA Homeless Liaison: is the staff person designated by the administrators of the particular LEA. Each LEA in the state must, as mandated by federal law, designate and submit the name of the designee to the state for purposes of carrying out the duties assigned to the local lead (homeless) liaison by the McKinney-Vento Homeless Assistance Act upon request or as required.
