Monitoring for Trash in District Waters

The Department of Energy and Environment (DOEE) seeks eligible entities to develop and implement a monitoring program for trash in the District's waterbodies. DOEE is interested in innovative methods for monitoring trash conditions. The results from this project will help assess the effectiveness of the District's efforts to reduce trash in local waterbodies and guide future trash reduction efforts. Approximately \$95,000.00 in funding is available.

Beginning 4/8/2016, the full text of the Request for Applications (RFA) will be available on DOEE's website. A person may obtain a copy of this RFA by any of the following means:

Download from DOEE's website, www.doe.dc.gov. Select the *Resources* tab. Cursor over the pull-down list and select *Grants and Funding*. On the new page, cursor down to the announcement for this RFA. Click on *Read More* and download this RFA and related information from the *Attachments* section.

Email a request to 2016Trashmonitoring.RFA@dc.gov with "Request copy of RFA 2016-1605-SWMD" in the subject line.

Pick up a copy in person from the DOEE reception desk, located at 1200 First Street NE, 5th Floor, Washington, DC 20002. To make an appointment, call Matt Robinson at (202) 442-3204 and mention this RFA by name.

Write DOEE at 1200 First Street NE, 5th Floor, Washington, DC 20002, "Attn: Matt Robinson RE:2016-1605-SWMD" on the outside of the envelope.

The deadline for application submission is 5/9/2016, at 4:30 p.m. Five hard copies must be submitted to the above address and a complete electronic copy must be e-mailed to 2016Trashmonitoring.RFA@dc.gov.

Eligible entities include: nonprofit organizations, including those with IRS 501(c)(3) or 501(c)(4) determinations; government agencies; and universities/educational institutions.
