

Directions to the Washington Youth Garden

Enter the Arboretum through the **R Street Entrance** (off Bladensburg Rd.) Before entering the parking lot, take an immediate right. Then stay left at the fork, following signs for Garden and Collections. You will see the Capital Columns on your left and the Azalea Collection on your right. Then turn left at the fork, following signs for Fern Valley. After passing the Grove of State Trees on your right, look for the Youth Garden on your right (the only garden with a fence). We are directly across from Fern Valley.

Bike and Car Parking: Continue past the Youth Garden. The parking area is just past the first stop sign, on your right. If this lot is full, please park at the Grove of State Trees.
